

The August, 2009 meeting of the Waska Riders Saddle Club was called to order by President, Byron Lutterman.

The Treasurer's and Secretary's reports were read and approved.

Committee Reports

Trail Committee:

There has been no response when calling Andes about having a club trail ride there so as a result we will have a ride at Carlos State Park October 10th with a BBQ that evening. Jim and Denise Kraft offered to be in charge of the food. We will check to see if there will still be water available at the campground.

Show Committee:

- We had trouble with the timer at the last fun show.
- Kristin Gabrielson will get two new jumping poles since ours has broken. Kristin has plans for a crow's nest and her husband has bid the project. Bridget Gallagher is working on the grant for the crow's nest. It would be beneficial if we could have a list of clinics that we have run over the past years for our grant application.
- We haven't received the halter that was ordered for our duplicate open show hi-point award.
- Dennis Auslund trail clinic; we can go on the website, he has a clinic scheduled for September 12 at his ranch, Redwood Stables. Individuals can contact him through his website.

Old Business

An invitation to Tyler Macho's baby shower was read.

There will be a horse owner's education clinic at Red Horse Ranch, Fergus Falls, on October 24th. Preregistration is required, cost is \$20 per person.

Proposed helmet rule; Chris Staebler emphasized that someone will have to make a motion on this issue if it is to be brought forward for a vote at the next meeting.

New Business

We have not received a bill for the open show high point halters. Kay will check on it when she picks up the remaining halter.

The September meeting will be at Wildridge and the October – April meetings will be held at the Pizza Ranch.

We wish the 4-Her's participating in the State 4-H horse show and our members going to the Champ Show the best of luck.

The 4-H horse knowledge bowl team from Douglas County is selling quilt raffle tickets to pay for their trip to national competition.

Steve Anderson made a motion and Penny Haavig seconded to adjourn the meeting.
