

Waska Riders Saddle Club  
June 28, 2010 Meeting

Meeting called to order by president, Nancy Determan

The Secretary and Treasurer's reports were read and approved.

Show Committee: The Open show work list was passed around. Many people are needed. Chris Stabler asked for volunteers to clean up the weeds around the arena. We are serving food at the show but don't have a license yet. Bridget will take care of it. Chris will check with Gabrielsons to ask if they would drag the arena during the show this year. She will also arrange for porta potties to be delivered to the fair grounds. Bridget will bring change for paybacks. We went through the list of equipment needed for the show. A watering tank will be available for the weekend to water down the arena if needed. 2 stalls have been rented and one family will be camping at the fairgrounds.

The date for the August fun show has been changed to August 1<sup>st</sup>.

Trail Committee: The next trail ride is scheduled for July 17<sup>th</sup> at Glacial Lakes State Park. Not many showed up for the ride at Sibley State Park but those that did had a nice ride.

Parade Committee: Good turnout for Kensington parade, 12 riders. Our next parade will be Waterama on July 25. Riders should be ready to leave the fairgrounds by 12:30. Cindy gave an overview of how your horse should be prepared for a parade. Katy Campion will check on getting us an invitation to ride in the Forada Days parade in August.

Education Committee: Denise Kraft will contact Sharon Siebel about conducting a saddle fitting clinic sometime in August at Blairview. It would be on a weekend or weekday evening.

Safety Committee: Denise will check out our first aid kit before the open show.

There was no Old Business.

New Business: A motion was made, seconded and approved to purchase a first aid kit for people and horses to take with when we have club rides. Janice Johnson will take care of buying it.

The meeting was adjourned.
