

Waska Riders Saddle Club  
March 23, 2009

Meeting called to order by President, Byron Lutterman.  
Cindy Gulbrandson was welcomed as a new member.

The Secretary and Treasurer's reports were read and approved.

Show Committee report: The bill for the open show has been submitted to WSCA, it will be run in the Spotlight magazine.

There were no other committee reports.

Old Business:

We need to locate the key for our PO box or get a new key.

Bridget Gallagher gave an update to last month's report that there was new gravel at the arena. We thought it was in our arena but it was in the cow arena. A discussion followed about how many loads and what kind of fill to get for our arena. Kevin Johnson and Jim Kraft will be getting bids on fill and machinery to work the arena once the fill is delivered. Chris Staebler will contact the fair board to ask if they would like to donate some money to help cover the cost of the fill.

We have two clinics set up: Shelly Sellars May 9 & 10, and Michael Saterbak June 6 & 7. They will charge \$500/day. The charge for members will be \$50. If we don't get enough interest from our members we will allow non-members to participate for \$65. Fee should be sent to Kristin Gabrielson.

Cindy Anderson reminded everyone to put their date of birth on their membership applications since they are required for WSCA.

New Business:

The Fair Board has asked that there be no pets allowed on the fairgrounds property at any time. We will add this to our show bill.

April 18<sup>th</sup> is the fun show workshop at the arena.

Denise Kraft asked if there would be any interest in putting on a game clinic. John Blair made a motion and Mike Troy seconded it to have Denise go ahead and research the possibilities.

The meeting was adjourned.
