

Waska Riders Saddle Club Meeting

The May 18, 2009 meeting of the Waska Riders was called to order by president, Byron Lutterman.

The Secretary and Treasurer's reports were read and approved.

Correspondence was read and included a bill for the PO box. The key has been forwarded to Bridget who will check it periodically.

Show Committee: Our show bill has been submitted to WSCA. It is posted on their website and will be published in the next Spotlight.

A gaming clinic for members will be held sometime in June. Originally scheduled for June 21 but there is a conflict with the Kensington parade. Denise will check with the Hedner girls about changing the date. They will allow a maximum of 15 people and charge \$25/person. Interested people should contact Denise Kraft at 320-424-0351.

Shelly Sellers pleasure clinic is full for both days. Kristin Gabrielson gave a report on the Saterbak clinic that will be held June 6th and 7th. She has contacted Larry Currel about doing a gaming clinic for us.

It was reported that there are enough fun show ribbons for the year.

June 30 is the deadline for reporting members to WSCA. It is important to pay your dues if you want to ride in the champ show. Cindy also needs the birth dates of all members as required by WSCA's new online submission process.

Old Business:

June 15 has been scheduled as the cleanup day at the Pope Co fairgrounds. The fair board would welcome help from the Waska Riders.

Open show:

We need to arrange for porta-pots.

The sand in the arena needs to be leveled and worked. The Johnsons will use Gabrielson's digger.

More keys need to be made for the crow's nest. Cindy A. gave the original key to Bridget so she can make copies.

Penny Haavig will check into lunch stands for the open show. The club voted not to do it ourselves this year. She will check with some 4-H clubs and church groups as well.

New Business:

Kristin is looking into getting a grant from the State 4-H council and the MN Horse Council before the October deadline. There are grants available from both with a \$7,000 maximum. She will apply to both councils.

The meeting was adjourned.
